

## Istihaza

Q1. What is (Istihaza)?

A1. (Istihaza) is the blood that is discharged from a woman's private part, but is not due to Haiz or Nifas. It may be due to some illness (e.g. an infection).

Q2. During Istihaza, is the Salaah or fast that is missed forgiven or not?

A2. Whilst a woman is in Istihaza, the Salaah and the fasting are not forgiven. She must keep Qada Salaah and fast for the missed days.
